A Decade of Growth

Carolinas HealthCare System's Levine Children's Hospital celebrates its 10th anniversary in 2017. In just a decade, the hospital has grown to include more than 30 pediatric specialties and has received national recognition by U.S. News & World Report as one of "America's Best Children's Hospitals." Levine Children's Hospital is also home to the Ricky Hendrick Centers for Intensive Care, which supports pediatric intensive care and cardiovascular surgery patients. This world class hospital provides a depth of expertise unmatched in this region.

A Community Partner

Levine Children's Hospital ensures excellence in children's healthcare by building partnerships between caregivers, families, and the community it serves. These partnerships developed long before the hospital opened in 2007. Generous individuals, corporations, and foundations stepped forward to help build a new hospital, close to home. This support continues today – through voluntarism and generous contributions – underscoring the community's ongoing commitment to the healthy future of our children.

Investment

Carolinas HealthCare Foundation and Levine Children's Hospital would like to partner with you to host an unforgettable night of charity and celebration. As a sponsor of the Children's Gala, you will impact the lives of children and their families who will receive care at Levine Children's Hospital. Enjoy a magical evening while supporting the excellent medical programs and resources available right here in our community.
