

BENEFITING CAROLINAS HEALTHCARE SYSTEM'S NEUROSCIENCES INSTITUTE

Sponsorship

2ND ANNUAL

Neuro Walk & Roll

Saturday, October 28, 2017

5-7:30pm | SouthPark Mall | Charlotte, NC

Carolinan HealthCare Foundation

Walk & Roll. Shine the light. Spark change.

Brighten the night and the lives of those served by the Neurosciences Institute.

Join us for the second annual Neuro Walk & Roll, an evening of music, light, and hope benefiting Carolinas HealthCare System's Neurosciences Institute. The event will feature rockin' music, great food, and local beer. We'll light up the night with a short ceremonial walk (or roll) to celebrate patients, families, and friends served by the Neurosciences Institute. Bring your lawn chairs and blankets and enjoy live music. All ages are welcome.

One hundred percent of the net proceeds stay local and will provide critical funding for patient support programs, innovative research, and education and treatment initiatives at the Neurosciences Institute.

Alzheimer's/Dementia · Amyotrophic
Lateral Sclerosis (ALS) · Epilepsy
Multiple Sclerosis (MS) · Muscular
Dystrophy · Parkinson Disease
Movement Disorders · Stroke

Event Details:

- Saturday, October 28, 2017 at SouthPark Mall, 5-7:30 p.m.
- General admission is \$25 and includes a t-shirt.
- Set up a personal fundraising page and encourage your friends and family to raise \$100. Participants may earmark their funds raised for the neurological area of their choice (listed left).

Igniting Support for the Neurosciences Institute

Carolinas HealthCare System's Neurosciences Institute leads the North and South Carolina region in advanced neurological care with treatment, research, rehabilitation and specialty programs. Our team includes specialized neurologists who provide a level of expertise unmatched in the region. Our physicians work with referring physicians and patients to determine a personalized care plan based on the patients specific needs.

We are national leaders in the development of quality improvement and clinical outcomes programs in the neurosciences. We partner with our patients to provide the best neurological care possible and we use prospective data collection to improve the efficiency of care delivery.

Current Neurosciences Institute locations include offices in Charlotte, Matthews, Concord, Denver, and Huntersville, North Carolina, with additional sites in the region dedicated to pediatric neurology.

2nd ANNUAL

Neuro Walk & Roll

BENEFITING CAROLINAS HEALTHCARE SYSTEM'S NEUROSCIENCES INSTITUTE
